# WIN A TRIP TO VEGAS!

We appreciate each and every Steelworker who gets involved in the workplace issues that impact us all. From decisions in Washington, D.C., to our state capitols, our interests are not represented unless we are speaking up. Whether that's circulating a petition, making a phone call or taking part in our current postcard campaign, every action matters. **And, for that, we say thank you with a special drawing.**

Please fill out your postcard supporting infrastructure investment and Buy American policies, then get entered to win one of more than fifty great prizes!

## Two Grand Prizes:

A trip for you and a guest to Las Vegas, Nevada, for the Steelworkers International Convention in August, 2014.

**Additional Prizes:** Fifty Steelworkers will receive Rapid Response fleece zip-up sweatshirts.

Details on postcard distribution and collection at our local:

Details: Winners will be announced and notified during the first week of March. There is no cost to enter. One entry form per individual. Two trips will be given away. Each will include round trip airfare for two, five nights of accommodations, guest passes for the USW International Convention and a \$1500 Visa gift card for additional expenses. Offer void where prohibited by law. Active and retired members are eligible to win. Current USW employees are ineligible. If a winner is unable to travel during the designated timeframe, alternative arrangements will be made.
